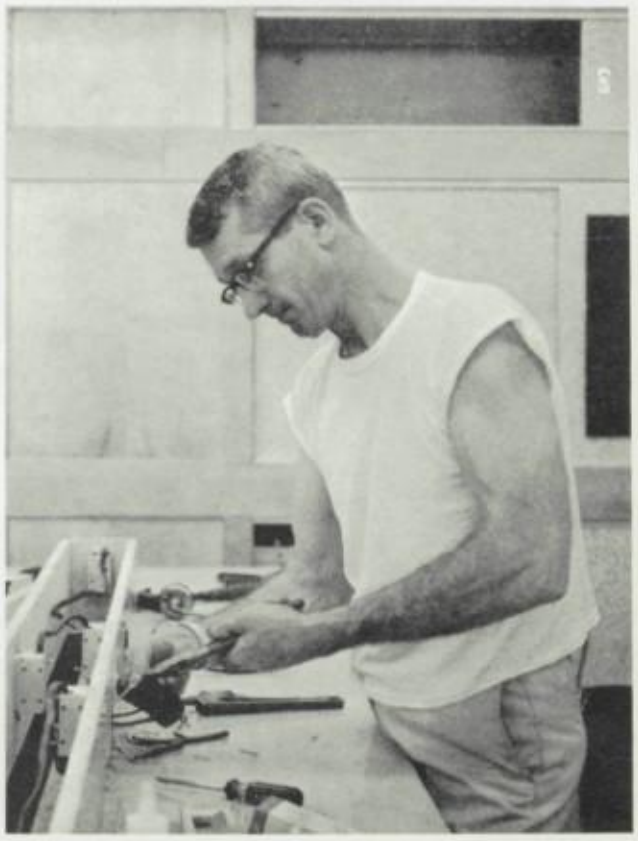
McQuaid's New Biology Lab



Student Council

Improvement and development have been the key words to describe the activities of the Student Council for 1965-66. Under the direction of Father St. George and the dedicated work of president Jerry Bilous, the Student Council has strengthened the functions of student government by placing more emphasis on the individual role of each year in conjunction with the entire school. Assisted by such capable officers as Jim Owen, John Campolieto and Sam Pennise, Bilous aimed at trying to get students to participate more fully in the co-curricular activities of McQuaid along with sharing the role of student government. The Big Brothers assisted the Freshmen by explaining the many facets of McQuaid and easing the transition from grammar school to high school. The general Council became the policy-making body of the school. McQuaid and Aquinas initiated an exchange program in order to promote better relations. Thus the student Council became a body of interested leaders who made it their task to work for the betterment of the McQuaid student body.

Press Club

The Press Club has continued to work for publication of McQuaid in the past school year. By widening its scope, the club has adopted a new system of organization which has proved successful.

During the last semester, the club continued to send in its usual number of articles and features on McQuaid events to the area papers. The column "McQuaid High News," in the Genesee Valley Newspapers, featured articles by many new members, previously unpublished.

Sports, led by sports moderator, Mr. Robert Bradley, covered the range of sports events at McQuaid and continued the appearance of many sports articles in the Catholic Courier-Journal.

The features staff underwent large changes brought about by moderator Mr. Leonard Riforgiato, S.J., in the second semester. A small core of writers was set up to do the bulk of features writing. A new coverage idea, of informing parishes at regular intervals of their alumni's accomplishments, was put into effect.

Campion Debating and Oratory

McQuaid's Campion Debating Society, with Mr. Leonard Riforgiato, S.J., as its new moderator, continued the tradition of compiling fine debate records throughout the Rochester area and the Northeast. The national topic for debaters; Resolved: "that the federal government should adopt a program of compulsory arbitration in labor management disputes in the basic industries," was vigorously investigated and deliberated by over forty McQuaid students during the last year.

Among the notable achievements of these debaters involved being finalists at the Boston College Tournament, ranking among the top teams at the Xaverian-Brendan's Tournament in New York, and capturing first place at the St. Joseph Collegiate Tourney in Buffalo. The Varsity team, for most of the year, was comprised of Seniors George Northrup, John Keenan and James Logar, and Juniors Joseph Combs, Kevin Hennessy and Christopher Scharf. Most notable among forensic events held at McQuaid in 1965 and 1966 was the Invitational Tournament held on December 18th and 19th. Nearly forty teams attended this two-day event whose eventual winner was Xavier High School of New York City winning the first place trophy.

THE LANCE

McQuaid Jesuit High School, Rochester, New York

An open letter to our readers:

McQuaid is a community. And as with any group of people, there are certain organizations (student council, newspaper, etc.). These organizations have specific functions. The student council should legislate, the principal should judge suggestions presented to him, and the prefect of discipline enforces approved proposals. We feel that the *Lance* has a two-fold purpose. First, it is necessary for a newspaper to inform the public about events, projects, social and extracurricular activities, and important occurrences. Second, and really the more important function, the *Lance* must educate, not only the students, but also the faculty and other interested parties. We have realized that the *Lance* has fallen short on our educational duty.

Therefore, we have moved the emphasis from news reporting to investigations, in depth, of vital areas in our school life. In this critical review, we hope to stimulate thought and help the McQuaid community form balanced opinions of where it is, and should be, heading.

We invite your reactions to this new format. If your response is favorable, we shall continue with more articles of similar character, in a different manner, to report the news.

As often happens in educational institutions, the real purpose of going to school, learning and thinking, are sometimes lost between page 171 of the Math book and page 43 of Hamlet. Therefore, we feel that this conversion of the *Lance* to a critical review would help accomplish the goals of education by:

1) allowing the *Lance* member to write on topics of interest to the student and also giving the author of an article as much freedom of expression as possible;
2) analyzing a situation, as we see it, and then evaluating it honestly with the hope of improving it. This, we feel, takes a degree of education and we hope that by criticizing and giving our opinions, we will be recognized as having at least partially achieved our purpose in attending a school such as McQuaid;
3) encouraging the students to partake in that all-important freedom of thought by expressing what they feel in a letter to the editor;
4) permitting the *Lance* writers not only to criticize, but to praise people and activities for their merit. This, we think, would look out of place in a real newspaper since "good things really don't make news."

We know that we must now state, in order to prevent misunderstanding in the future, that:

1) to criticize a certain organization, such as the student council, is not, and would never intend to be, a reflection upon the character or integrity of any member of the council;
2) although we will try to be fair by finding out all the facts concerning a situation, it is impossible to isolate the truth;
3) as with any newspaper the opinions expressed are those of the paper and not always do they agree with what the majority thinks.

In summary, what we hope to accomplish by our new format is:

1) to get students involved in McQuaid;
2) to persuade the students to express their opinions intelligently concerning any topic which they wish to discuss;
3) to keep the school and the students constantly aware of each other and each other's problems.

FOOTBALL

Football

The Knights' 1965 football season began against a new team. They faced the untried Mooney Cardinals. On a very hot September 19th, the Mooney team swarmed over the Knights in the second half to a 41-13 win.

Tom Miller, co-captain and quarterback, led his team against the Batavia Blue Devils the following Saturday. With no returning starters at their previous positions, the Knights blocked the Batavia offensive. With the rushing of All-Catholic fullback Mark Schiller and Junior halfbacks Steve Hromjak and Mike Millner, McQuaid defeated Batavia 20-14 with a touchdown by Steve Rooney with only forty seconds remaining.

Next, the Knights faced the strong Aquinas team. The Irish moved the ball in the sleet and rain of the first half to a 19-0 lead. The Knights took the field in the second half and made a tremendous effort. Scoring on a pass to Dave Atwell and a run by Schiller, the Knights clearly dominated the second half with their spirited drives into Aquinas territory, only to be stalled by a costly penalty and lack of time.

Bishop Walsh's homecoming proved to be a funeral for the Knights as defensive starters, Mike Rhodes, Bernie Ashley and Mike LaForce led the resistance against a fired-up offensive which conquered McQuaid 26-6. The following Saturday, McQuaid had a better showing in which the passing combination of quarterback Tom Miller and the spectacular receiving of Steve Rooney connected for four touchdowns. With another touchdown by Bob Laglia, the tally rose to 33-6 at the finish. In the following games with Watertown and St. Francis, the Knights lost 20-12 and 25-12 respectively. In the final game of the season, the fine blocking by co-captain Craig Smith, Tim McGinn, Mark Boylan, and Seniors Ed Weiner and Pat Kelly was squandered by fumbles which plagued and resulted in a 20-12 loss.

Cross Country

Though the McQuaid cross country team missed the spectacular showings of former years, the season had its high points and managed victories over 66 of the 118 schools it met. Sparked on by the "fantastic" running of Eric Kendrick, an unquenchable spirit, and a tradition of leadership in upstate running events, the team carried on its winning ways.

Six of these victories came at the first meet, the Fulton Invitational, where the varsity seven, used to working hard as early as August, were in good shape to take a fifth. The pattern was set for the rest of the season as Eric took first and Mike Jacquith and Pat Love provided an effective 2-3 punch. The big event followed on October 9, when McQuaid hosted its own meet. Each team member was determined to make his best performance on McQuaid's home course. Of the ten schools McQuaid hosted, the Knights showed their heels to nine, and gave Brooklyn Prep, a New York City power, strong competition. Kendrick took first, Love a ninth, Jacquith eleventh. Bob Anzenburger, John Yockey, Jim Logar, and Bill Higgins gave them fine support. The Jayvees crushed 5 opponents as Glen Roberts, Dan DeAngelus, Frank Garrand and Jim Fassanella filled the first ten with gold shirts. Bob Lawrence and Bob Wafer led the Frosh to a first in the other race of the day. The end of the season, though marred by injuries, still held the same magic for Kendrick as he added Jesuit and Diocesan victories to his laurels. He had no competition in the latter where the varsity, without the fine running of Jacquith, had to settle for third behind Aquinas and Kearney, whom the Knights had earlier beaten. The Jayvees placed second and the Frosh, behind Bob Lawrence and Greg Moss, took first.

Of course a coach who has worked hard likes to see his team always end up on the winning side; however the greatest achievement of 1965 came in the development of many fine underclassmen runners to fill the ranks. Coach Robert Bradley can be proud to see his best runner go through eight races without a loss. Mr. Bradley has produced such promising runners as Dan DeAngelus, who never ran before, Sophs Carl Fimmano, Glen Roberts and Freshmen Gregg Moss, Bob Lawrence and Bob Wafer to provide for future winning seasons.

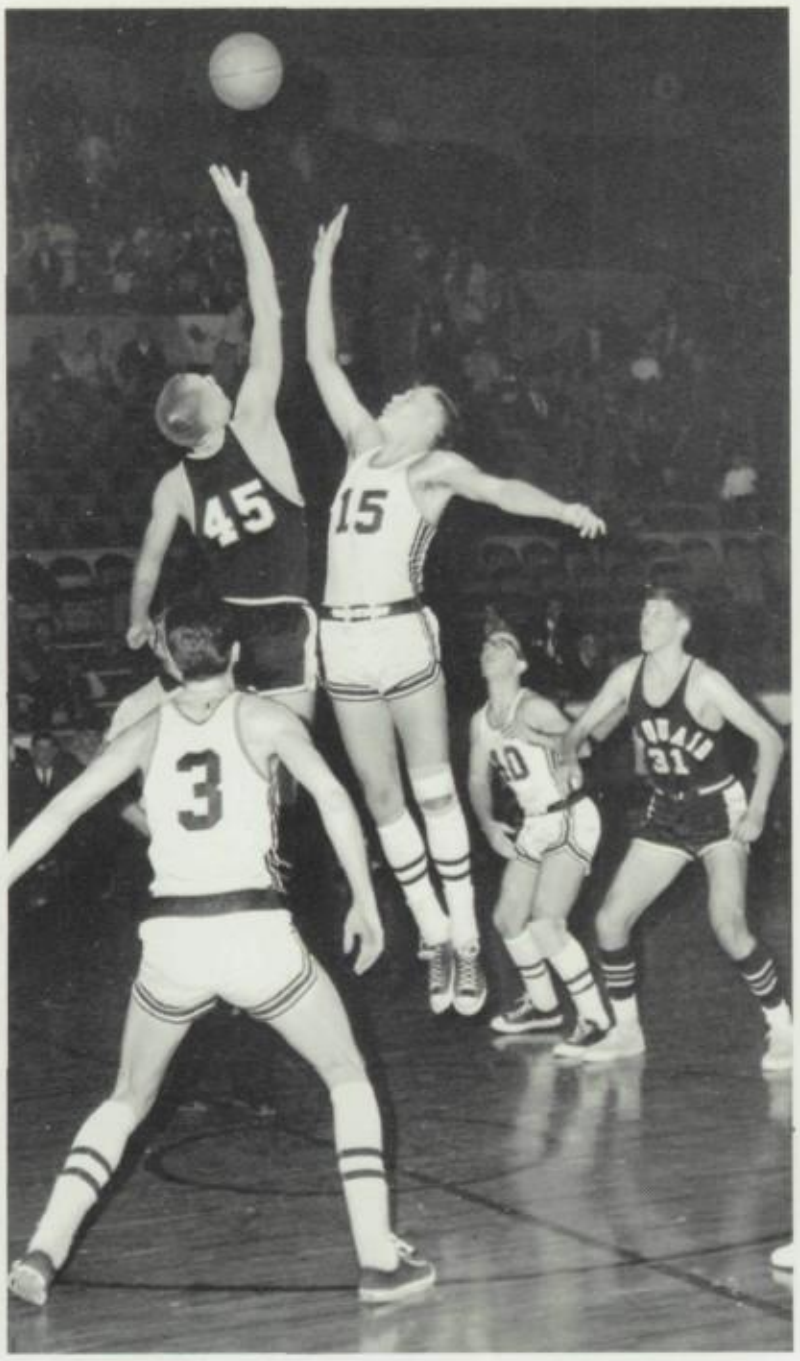
Varying degrees of success and failure marked the 10-9 season of McQuaid's basketball team. With only two returning lettermen, the coming year seemed to be a question mark. However, co-captains Tom Blake and Tom Miller were prepared to lead the Knights against one of the toughest schedules in McQuaid history.

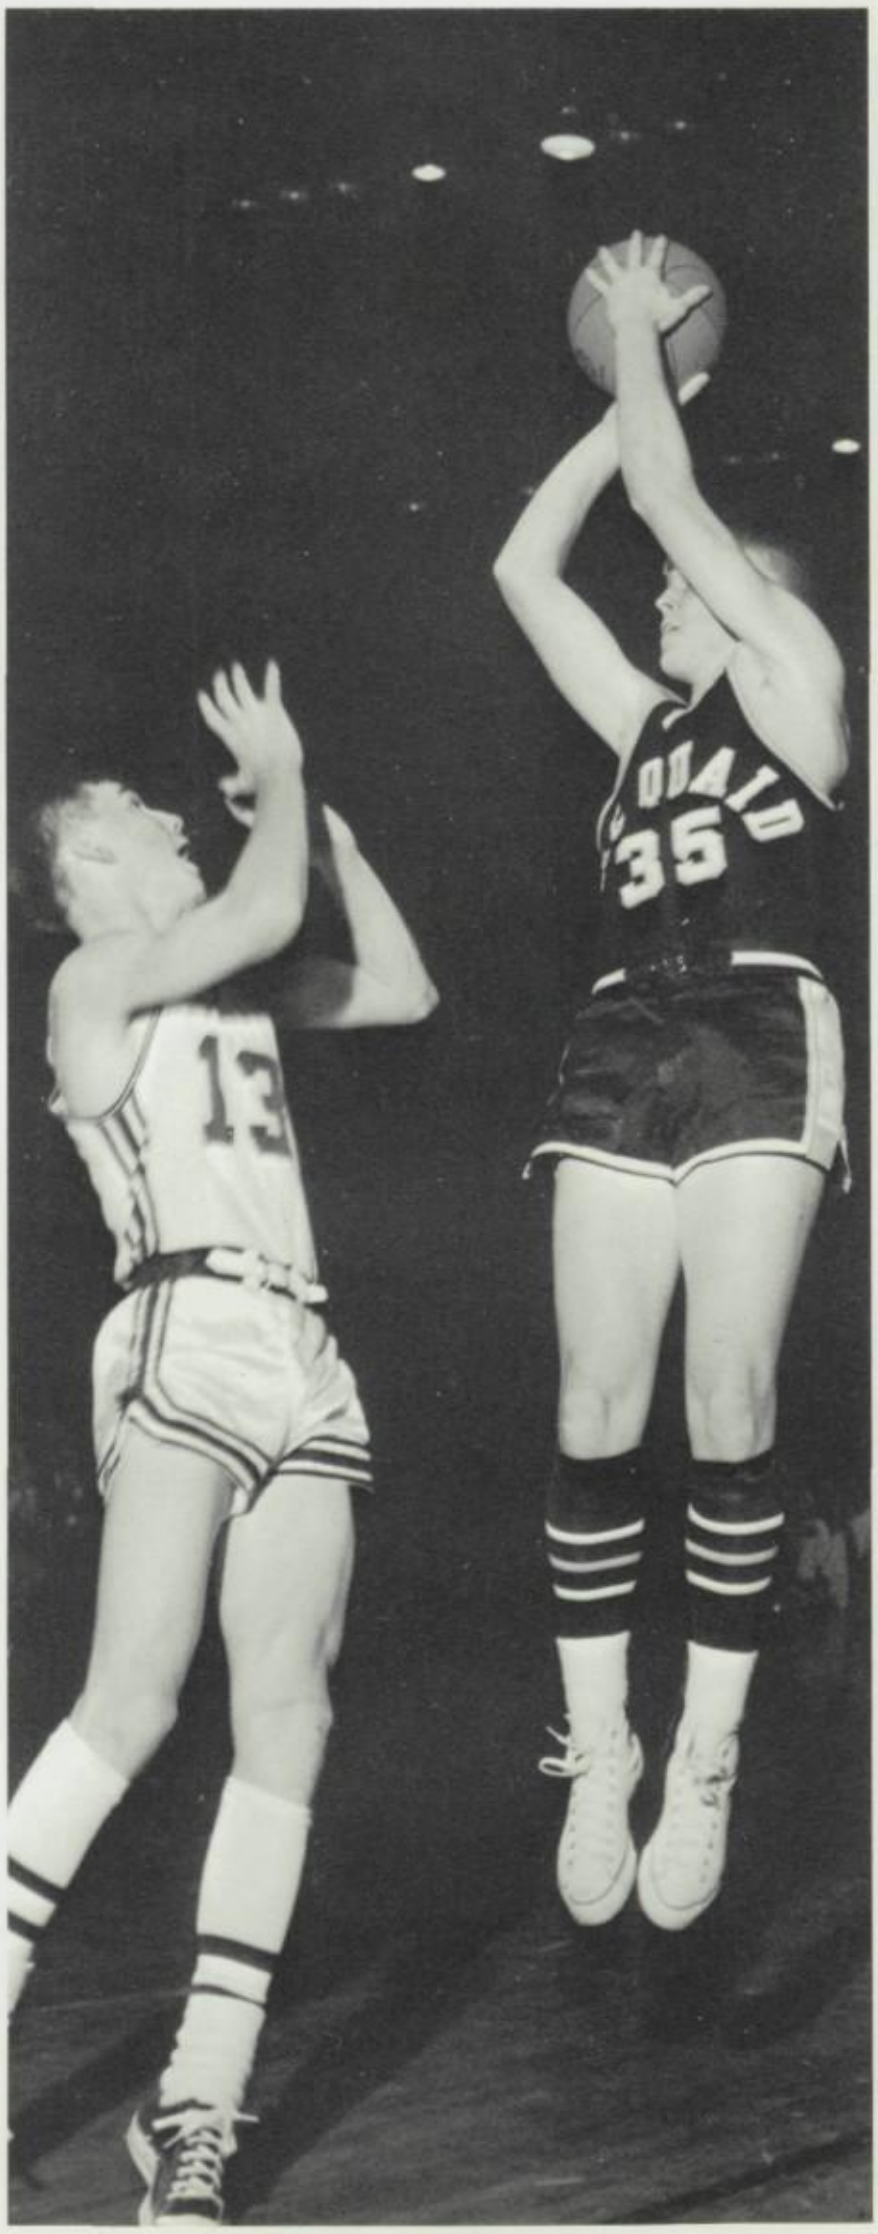
The first two games demonstrated the unpredictability of this year's team. On opening night McQuaid displayed fine team balance in rolling over Honeoye Falls by 25 points. But three nights later the team fell to Irondequoit by 20. With Tom Miller and John Koller providing the scoring punch, the Knights rebounded for two close victories over Madison and Honeoye Falls, setting the stage for the big Aquinas game. McQuaid rushed to an 8-0 lead, but the team succumbed to the Irish 60-47. The team squeaked by Edison a few nights later and packed for the Jesuit tournament in New York City.

Due to a bye the Knights met pre-tournament favorite St. Peter's in the semifinals. Even though they trailed by only 5 at halftime, McQuaid fell to St. Peter's. In the consolation game the Knights courageously fought Regis only to be nipped in the last minute of play. John Koller's fine play in the big city earned him a well-deserved berth on the all-tourney.

After an easy victory over Watertown the Knights put on one of the best shows of the season in beating Mt. Carmel. John Koller fired in 29 points, while Tom Blake fed his team-mate 12 assists. Following this big victory the team prepared for the first varsity meeting with Bishop Kearney. That night the Knights had 39 turnovers, falling to the Kings by 9. Madison avenged an earlier defeat by beating McQuaid. The next week, once beaten Irondequoit trounced the team by 30 points. Mooney added the fourth game to

Varsity Basketball





the Knight losing streak edging them by 3, despite fine team performance.

A rejuvenated McQuaid outscored West by 20 points in the third quarter and rode on to a 25 point victory. In this game, Tom Blake set a second for assists in one season. The team continued on its winning way with an easy victory over Watertown. Now came the return game with Kearney. McQuaid jumped on them from the opening minute and never let up until they had a 25 point lead with four minutes remaining. This game demonstrated great school support and a fine team victory. The Knights captured their fourth win in a row beating Monroe in a craftily played game. With four straight, the Knights seemed prepared to defend its Diocesan Title. Mooney ended McQuaid's quest for a third straight title abruptly in the opening game.

This game marked the end of the careers of Ray Sherbinski, Tom Miller and Tom Blake. John Koller led the team in scoring and rebounding with 16 points and 13.5 rebound average respectively. Ray Sherbinski, a consistent ballplayer all season, averaged double figures in both scoring and rebounding. Tom Miller played his usual sturdy game while eligible. Tom Blake directed the team well during the fluctuating season and set a school record in assists with 137. The flourishing into fine ballplayers of juniors Bob Weingartner and Jeff Gillenkirk gives McQuaid a bright future.

Although the season ended on a disappointing note, the team managed to attain a winning record. This achievement adds to the merits of McQuaid coach Kenneth Jones. He completed his third consecutive winning season at McQuaid. His team again displayed the fine quality of men demanded by coach and school.
